

WELCOME TO ONZA

A grill restaurant specializing in home-aged steaks, blending smoky flavors with Mediterranean touches to create bold, fresh, and memorable dining experiences.

We take pride in sourcing the freshest seafood from the Kenyan coast, locally grown vegetables, and premium meat from local ranches. Our commitment to sustainability ensures that each dish is crafted with care and features ingredients of the highest quality.

To enhance your dining experience, we employ the meticulous Sous Vide technique, which results in tender and flavorful main dishes. Our expertly curated menu also showcases a selection of meat cooked to perfection in our charcoal oven, offering a delightful smoky essence.

As you indulge in our culinary offerings, we invite you to explore the artistry of our award-winning World Class Bartender. We have curated a selection of cocktails that showcase their expertise in mixology, adding a touch of creativity and sophistication to your meal.

We invite you to embark on a culinary journey.
